Spring **CLEANING** DONATION DRIVE

Help Catholic Charities Clients Keep Homes Clean and Safe!

Catholic Charities invites organizations, schools, faith communities, and groups to join our "Spring Cleaning" collection drive to gather much-needed cleaning supplies for families and individuals in need.

Cleaning supplies are vital for maintaining clean, safe, and healthy homes—but they are rarely donated and often out of reach for those living in poverty. Your efforts will make a big difference in the lives of our clients.

Host a donation drive this spring and help spread the spirit of renewal!
