## Out of the Lab and Into the Chapel: The Gift of Science to Faith

Western science owes much of its foundations to the worldview of the Bible and subsequent Catholic sacramental thought. Join us for a lively discussion of how science can enrich the Catholic spiritual journey and help restore the relevance of faith to a culture that struggles with spiritual apathy.

Father John Kartje is President of the University of Saint Mary of the Lake / Mundelein Seminary. A native of East Chicago, Indiana, Father Kartje is a graduate of Bishop Noll Institute in Hammond. He earned a B.A. degree in Mathematics and a B.S. degree in Physics from the University of Chicago where he also earned a Ph.D. in Astronomy and Astrophysics.
